

Multi-Purpose Wipes

Multi-purpose, industrial strength wipes

These wipes are a multi-purpose, soft, absorbent industrial strength wipe. They are produced using proven textured non-woven technology which results in a low-lint wipe that is ideal for pressroom use.

BENEFITS:

- ◆ Superior, and more durable than other disposable wipes and shop towels
- ◆ Low-lint, soft and absorbent
- ◆ Fresh, clean wipes are ideal for just about every job
- ◆ Economical
- ◆ Ideal for blankets, rollers, ink trays, ink knives, coating units, stitchers, cutters and general maintenance
- ◆ Packaged in 2 convenient sizes:
 - PCN 3131—200 (4 x 50) 13" x 13" wipes per case
 - PCN 1512R—400 12" x 15" per roll. One roll per case.
